

“In 95 years, I only missed hearing Megillah one time; in Bergen-Belsen.”

– Lora Greenbaum, a Holocaust survivor, in whose home Rabbi Yaakov Bender, Shlita lained the Megillah this Purim.

Boruch Hashem, this past Purim, Achiezer and our dedicated community members were able to answer every one of the requests that we received for home, hospital, and nursing home Megilah readings, with a total of 45 readings being arranged.

Achiezer would like to extend a heartfelt **YASHER KOACH** and **THANK YOU** to every one of the 25 Baalei Kriah who volunteered to lained the Megillah for those who could not make it to shul.
