

Thank You!

Members of Hatzolah and Chaverim rescuing people from flooded houses

Rabbi Yaakov Bender, Rabbi Boruch B. Bender, Rabbi Yechiel Kalish, Lloyd Keilson at Achiezer's temporary headquarters during the aftermath of the storm.

The sudden impact and utter devastation of Hurricane Sandy

was felt throughout the Five Towns, Far Rockaway, Bayswater and surrounding communities.

Achiezer was immediately mobilized into action and served as a center hub for the relief effort which provided food, shelter, clothing, Shabbos arrangements, cleanup crews, shaimos trucks, generators, FEMA applications, relief fund etc... providing many suffering families with sorely needed comfort, care and guidance.

Without the aid of the many amazing dedicated and selfless groups, organizations and individuals this would not have been possible. Thank you, we applaud you and continue to rely on you.
